Student Code of Conduct

HAYWARD COMMUNITY SCHOOL DISTRICT
Board of Education Policy
HAYWARD HIGH SCHOOL CO-CURRICULAR CODE

Co-curricular activities have long been an established part of the Hayward Area School District's educational program. Participation in activities provides students with learning experiences and opportunities for maturity not ordinarily available in the classroom. Activities provide participants with the opportunity to develop sound bodies, mental and physical self-discipline, self-reliance, a healthy attitude toward competition, the ability to cooperate with others, and good citizenship and sportsmanship, all of which have educational value.

In allowing students to participate in athletic and other co-curricular activities, in establishing standards and enforcing rules of behavior, and in providing facilities, the school district shall not discriminate against any student on the basis of sex, race, religion, national origin, ancestry, creed, pregnancy, marital or parental status, sexual orientation, physical, mental, emotional or learning disability or handicap. Discrimination complaints will be processed in accordance with established procedures.

The Hayward Community School District is most anxious to have parents of those participating in co-curricular activities to not only know the regulations governing their son's/daughter's participation, but also to approve of the regulations. To make this phase of their education more meaningful, parents are asked to read and affix their signatures to the acknowledgement forms, along with your son's/daughter's name. ONCE YOU SIGN THE CODE OF CONDUCT IT IS IN EFFECT 12 MONTHS OUT OF THE YEAR. THE CODE NEEDS TO BE REVIEWED AND SIGNED BY ALL PARTICIPANTS ONCE **EACH YEAR** PRIOR TO THEIR FIRST ACTIVITY SEASON.

Violations of this code will be documented in writing and will be included in the students' personal file at the school.

PENALTIES FOR MAJOR AND MINOR VIOLATIONS

1. Major Violations

- A. Alcohol, Tobacco and Drug Violations
- B. Conduct Unbecoming a Participant
- C. Civil and Criminal Law Violations

1. Group I (Athletics)

ALL SUSPENSION CALCULATIONS THAT RESULT IN A FRACTION WILL BE ROUNDED UP TO THE NEXT WHOLE NUMBER; I.E. 6.3 WILL BECOME 7.

SUSPENSIONS WILL BE CALCULATED BASED ON MAXIMUM NUMBER OF ALLOWED CONTESTS AS PUT FORTH BY WIAA FOR EACH SPORT.

a. First Violation:

The violator will be suspended from further athletic competition for thirty percent (30%) of the total number of athletic contests in the sport in which he/she is participating. The athlete, parent/guardian and coach or Athletic Director must meet with a designated counselor to discuss the violation.

The athlete will be expected to practice during the suspension period. If the suspension cannot be fulfilled during the present sport season, the remaining fraction of the suspension will carry over into the contests of the next sport season in which they participate. (The carry-over fraction is calculated on the number of contests in the new season.) Athletes suspended because of drug/alcohol/tobacco related violations will be referred to the Student Assistance Program. The student must comply with the Student Assistance Program recommendation which may include, but is not limited to the following...

- Completion of the AODA Awareness Packet
- AODA Screening
- Participating in the Sawyer County Human Services Alternative Program

b. Second Violation:

The violator will be suspended from further athletic competition for one calendar year from the date of the meeting with the AD. Athletes suspended because of 2 alcohol/drug related violations must complete AODA screening. The Athletic Director and a designated counselor will monitor the athlete's suspension and make the determination as to completion of SAP recommendation. The athlete's parent(s) and the building administrator will be informed if and when eligibility is restored.

The athlete will continue to practice with the team during the suspension period. If less than one-half (1/2) of the contests remain on the schedule, the remaining fraction of the suspension will carry over into the contests of the next sport in which the athlete participates.

c. **Third Violation:**

The violator will be suspended from further athletic competition for the duration of their High School Career. This is appealable to the District Administrator following appeal process.

2. **Group II (Co-curricular with contests)**

The same penalties will be applied as in Group I.

3. **Group III (Co-curricular without contests)**

a. **First Violation:**

The violator will be suspended from all club meetings and activities for nine weeks. The student will be referred to the Student Assistance Program and must comply with the SAP recommendation...

- Completion of the AODA Awareness Packet
- AODA Screening
- Participating in the Sawyer County Human Services Alternative Program

b. **Second Violation:**

The violator will be suspended from all club meetings and activities for 18 weeks. Students suspended because of 2 alcohol/drug related violations must complete AODA screening and comply with the SAP recommendation. The Co-curricular Supervisor and a designated counselor will monitor the athlete's suspension and make the determination as to completion of SAP recommendation. The athlete's parent(s) and the building administrator will be informed if and when eligibility is restored.

c. **Third Violation:**

The violator will be suspended from all club meetings and activities for one (1) calendar year. They must complete AODA Screening and comply with the SAP recommendation.

2. **Minor Violations**

These violations and penalties shall not be cumulative. Participants found guilty of "other" code violations shall be suspended from competition/performance for one (1) contest (where applicable). An exception to this shall be with respect to academic ineligibility, penalties for which are described in the general code of conduct.

Actions perceived by the Athletic Director/Assistant Principal to be willful and persistent violations of these rules, will cause the participant to be penalized under the (Major Infractions) clause of this code. Willful and persistent may be, but is not limited to, a third minor infraction in one calendar year.

3. **Good Behavior**

If a student has no infractions (major or minor) for one calendar year, he/she would have his/her record reduced one step.

CODE ENFORCEMENT

A. Major Violations

1. The student shall be notified of any alleged major violation of the code by the Athletic Director/Assistant Principal as soon as the violation becomes known to him/her. The Athletic Director/Assistant Principal will then render a decision which will result in one of three actions:

- (a.) The alleged violation will be dropped due to in-sufficient evidence.
- (b.) The athlete admits the violation; a suspension will be assessed and served.
- (c.) The athlete denies the charge; however, based on the evidence, the suspension will be assessed.

2. If a suspension is assessed, the Athletic Director/Assistant Principal shall send a letter to the parent(s)/guardian(s) informing him/her/them of the decision and the basis for the decision.

3. If the Athletic Director/Assistant Principal determines that a violation has occurred with respect to alcohol, tobacco or drug violations, a meeting involving the student, parent(s)/guardian(s) of the student, the coach/advisor and a school-designated representative shall be scheduled to review the violation, consequences, and student responsibility to comply with the SAP recommendation. The District Administrator shall schedule a meeting not later than five (5) school days after receiving the appeal. The student may be accompanied by his/her parent(s) guardian(s) at the meeting with the District Administrator. The student will have an opportunity to present evidence and challenge evidence presented against him/her at this meeting.

The District Administrator shall notify the student and his/her parent(s)/guardian(s) of the decision regarding the appeal within two (2) school days.

2. The school shall consider this decision final.

B. Minor Violations

1. The decision of the Athletic Director/Assistant Principal shall be final.

Student Assistance Program

The Student Assistance Program (SAP) provides an AODA Screening for students affected by alcohol and other drug use and/or abuse.

Students may be referred to the Student Assistance Program by parents, staff, or by self-referral. Students who are referred are then interviewed by a guidance counselor or AODA Program Coordinator.

Students concerned about their own use of drugs and/or alcohol have the opportunity to participate in a voluntary AODA screening to evaluate their own usage. Students and parents are provided with information and guidance support in attaining additional community AODA resources when needed.

Honesty Clause

Students who are questioned about alleged code violations are expected to answer truthfully to any such questions about his or her personal actions. If a student fails to respond truthfully, additional disciplinary consequences will be applied to include, but not limited to, suspension from additional contest participation.

A copy of this code will be provided to each candidate reporting for all co-curricular activities. Both the student and his/her parent/guardian must acknowledge, by signature, receipt and review of this code.

The duration of the Co-Curricular Code is (12 months) year round. It remains in effect for the duration of the school year from the date the athletic signature form is signed.
