Dear Hayward Community School District Families,

Subject: Food Service Distribution Update.

The Hayward School District will be closed starting Wednesday, March 18th and reopening Tuesday, April 14th. Please look to our social media outlets for further updates as this situation has been and will continue to change rapidly.

We have been approved to extend the Food Service Distribution through **April 10th**. Families already enrolled will be served through this new date. If you wish to be included in this program, please go to our school webpage at www.hayward.k12.wi.us or call to enroll or any questions 715-634-2619.

Our routes/times are fairly established as of Friday. If you wish to change from your original selection we are offering a **ONE TIME** change option due by Tuesday Noon March 24th. Changed location will be effective Wednesday March 25th. Please note delivery is still scheduled from 11:00am to 1:00pm and as we make these changes your delivery time is subject to change.

Thank you very much for participating in our Food Service Distribution Program. We will continue to work hard for our students and community and do whatever we can to make this time of chaos a little more calming. If you have any questions, please contact Craig Olson.

Win the Day!!!
